

Movomech gripper tool arms

Extend the reach

Flexible accessories series

Now there is a series of tools arms as standard accessories for Movomech lifting manipulators, which can be combined to suit a wide range of handling solutions. The mechanical interface is tailored to fit Movomech standard lifters without any modification required.

Beneficial moment-absorbing capacity

The moment-absorbing capacity in combination with a large reach distance gives important advantages for complex material handling operations, and for gripping and rotation of eccentric loads.

Large working reach and great flexibility

The gripper tool arm extends the working reach of the lifter when the operator is working under a protruding roof, inside a vehicle or in a working area with restricted accessibility.

Multiple configurations and optional colour

The tool arms are available in lengths of up to 2 m and for an external torque up to 300 Nm. The arms are supplied in galvanized version or painted in a RAL colour of choice.

Combinations

Lifting manipulator	With adapter*	Max load (kg)	Max moment (Nm)	Gripper tool arm
Standard combinations				
Mechspace Pro 70/70P	-	50-70 ¹	500	A50 - B50 - C50 - D50
Mechspace Pro 150/150P	-	100-150 ²	1500	A60 - B60 - C60 - D60
Other combinations				
Mechlift Pro P 100	742400 / 742401	70 ³ /100	500	A60 - B60 - C60 - D60
Mechlift Pro P 150	739852 / 739853	150	1000	A60 - B60 - C60 - D60
Mechlift Pro E 75	739850 / 739851	75	500	A60 - B60 - C60 - D60
Mechlift Pro E 150	739852 / 739853	150	800	A60 - B60 - C60 - D60
Mechlift Pro E 150-3	739850 / 739851	150	500	A60 - B60 - C60 - D60
Mechlift Pro E 250	-	250	800	⁴
Mechlift Pro E 250-3	-	250	500	⁴
Mechlift Pro E 400	-	400	1000	⁴
Mechlift Pro E 650	-	650	1000	⁴

^{1,2} Depends on pressure, see manual ³ With load cell ⁴ Not applicable, project solution required

* On Mechlift Pro the gripper tool arm is mounted in combination with a rotation unit.

A50/A60

Specify when ordering: Lx, galvanized/RAL colour

		A50	A60
Ø	mm	50	60
x1	mm	100	120
