Confirmation

Dear Sirs,

item develops and distributes system building kits for the construction of industrial applications, in particular, in the areas of mechanical and plant engineering as well as for the construction of production and workshop facilities. item markets its products actively on a worldwide basis via its own trading branches and via independent distribution partners.

In the view of the above, we herewith confirm, that the company BIBUS ENDUSTRIYEL URUNLERI SAN.VE TIC.A.S. headquartered in 43-44 Basaksehir / Istanbul, Vip Plaza, No: 1 is the exclusive and only distributor in Turkey for the products of item Industrietechnik GmbH, located at 42699 Solingen, Friedenstrasse 107-109, Germany.

A distribution agreement is basis for the cooperation between our two companies and ensures, that BIBUS ENDUSTRIYEL is bound by this contract to use original item parts only.

BIBUS ENDUSTRIYEL keeps a sufficient storehouse in order to ensure that customers can be supplied at short notice and provides the necessary customer service and support as well as producing assembly kits and complete solutions.

For any further information please feel free and contact us.

Kind regards
item Industrietechnik GmbH
