

## Ersatz- und Zubehörteile / Spare Parts and Accessories

### Manometer / Back Pressure Gauge BP1 / 44M

|                                            | BP1              | 44M                    |
|--------------------------------------------|------------------|------------------------|
| Druckbereich<br>Pressure Range             | 0 - 0.6 bar      | 0 - 0.5 bar, 0 - 1 bar |
| Maße (L x B x H)<br>Dimensions (L x W x H) | 115 x 80 x 40 mm | 87 x 63 x 28 mm        |
| Anschluss / Connection                     | 19 Ø mm          | G 1/4"                 |
| Gewicht / Net weight                       | 0.25 kg          | 0.2 kg                 |

### Druckbegrenzungsventil / Pressure Relief Valve JDK-50 / 120 (SE11)

|                                            |                  |
|--------------------------------------------|------------------|
| Druckbereich<br>Pressure Range             | 200, 250 mbar    |
| Maße (L x B x H)<br>Dimensions (L x W x H) | 132 x 30 x 95 mm |
| Anschluss / Connection                     | 19 Ø mm          |
| Gewicht / Net weight                       | 0.5 kg           |
