

Precision regulator

# RP1000 Series

Parts expanded view

Pilot assembly

| Pressure setting range | Part model No.       | Parts diagram | No. | Quantity |
|------------------------|----------------------|---------------|-----|----------|
| 02(MAX.0.2 MPa)        | RP1000-PILOT-ASSY    |               | 1   | 1        |
| 04(MAX.0.4 MPa)        |                      |               |     |          |
| 07(MAX.0.7 MPa)        | RP1000-PILOT-ASSY-07 |               | 7   | 1        |

Diaphragm assembly

| Pressure setting range | Part model No.           | Parts diagram | No.    | Quantity |
|------------------------|--------------------------|---------------|--------|----------|
| 02(MAX.0.2 MPa)        | RP1000-DIAPHRAGM-ASSY    |               | 2<br>3 | 1 each   |
| 04(MAX.0.4 MPa)        |                          |               |        |          |
| 07(MAX.0.7 MPa)        | RP1000-DIAPHRAGM-ASSY-07 |               | 8<br>9 | 1 each   |

Valve assembly

| Pressure setting range | Part model No.       | Parts diagram | No.          | Quantity |
|------------------------|----------------------|---------------|--------------|----------|
| 02(MAX.0.2 MPa)        | RP1000-VALVE-ASSY    |               | 4<br>5<br>6  | 1 each   |
| 04(MAX.0.4 MPa)        |                      |               |              |          |
| 07(MAX.0.7 MPa)        | RP1000-VALVE-ASSY-07 |               | 4<br>10<br>6 | 1 each   |
